International Professional Commercial Arbitrator Training Certificate Course

The Mainland - Hong Kong Joint Mediation Center (MHJMC) and the Academy of International Dispute Resolution and Professional Negotiation (AIDRN) offer rich content and engaging arbitrator training course to anyone who aims to achieve a qualified professional international arbitrator qualification at the International Dispute Resolution and Risk Management Institute (IDRRMI). Delivered by a training team composed of leading experts, this course focuses on both the general international commercial arbitration practice and the specific practicing area including insurance, banking and finance, investment, building management, and construction. It is designed to equip participants with the competence, knowledge, and skills of a professional arbitrator.

PROFESSIONAL DEVELOPMENT

Obtain advanced professional qualification within a short period of time

Upon completion of this course and passing the end-of-course Qualification Assessment, participants are eligible to apply to become the Certified International Arbitrators (CIAB) of the International Dispute Resolution and Risk Management Institute (IDRRMI) and gain the opportunity to handle international commercial arbitration cases.

Professional Development Platforms

IDRRMI provides diversified continuing professional development opportunities and a well-established professional advancement platform to professional members, including advanced courses, seminars, conferences, case referrals, etc., supporting the professional development in the arbitration industry.

ABOUT INTERNATIONAL DISPUTE RESOLUTION & RISK MANAGEMENT INSTITUTE

The International Dispute Resolution and Risk Management Institute (IDRRMI) is a world-class professional organisation that serves to provide a one-stop business solution, including risk management, deal-making, consultancy, and dispute resolution services. It serves not only business enterprises and international organisations involved in the Belt and Road initiatives, but also different trades and commerce activities on a global scale. The IDRRMI also focuses on cultivating professionals and assemble an expert team at all levels to facilitate the success of our clients' businesses.

Not only does the IDRRMI have a global network for businesses, but it is also a platform for professional experts from different industries (dispute resolution experts, risk managers, finance specialists and more). Currently, we have aligned with institutions at various levels from more than 40 countries or regions worldwide. (<https://idrrmi.org/>)
